Official withdrawals and requests for refunds or adjustments must be made in writing to Student Records at LTC-Cleveland. If you do not officially withdraw from a class, you will be responsible for full payment of that class according to the refunding policy below.

If I officially withdraw from class(es) or school, I will be granted a refund (or receive a fee adjustment) in accordance with the Wisconsin Technical College System Board Refund Policy which states: students enrolling in courses are entitled to fee refunds equal to 80 percent of the fees if they withdraw before or at the time 10% of the course's potential hours of instruction have been completed. If students withdraw after 10% but before more than 20% of the course's potential hours of instruction have been completed, they are entitled to a fee refund equal to 60 percent of the fees. If students withdraw after 20% of the course's potential hours of instruction have been completed, they are not entitled to a fee refund. No refunds will be considered for advanced standing test out or placement fees.

Time Remaining in Class	Refund Percent
99-90%	80%
89-80%	60%
Less than 80%	0%
