

Scholarship Initiation – Instructions

The Lakeshore Technical College (LTC) Foundation, Inc. is honored to receive donations to support scholarships for our students. Scholarship donations may be received in two ways:

1. **Contribute to the General Scholarship Fund (100)** – this fund restricts all donations to be applied toward scholarships that are designed by the LTC Foundation, Inc. No minimum.
2. **Design Your Own Scholarship** – the LTC Foundation will restrict your donation to be awarded according to specific criteria and requirements. \$500 minimum.

All scholarships administered by the LTC Foundation, Inc. are distributed through our accounts and award decisions are made by the LTC Foundation, Inc. Scholarship Committee according to the criteria specified by the donor. Please note that we are not able to circulate student applications and personal information in compliance with the Family Educational Rights and Privacy Act (FERPA).

To Contribute to the General Scholarship Fund (100), please complete a General Contribution Form or contribute through our website. Please indicate that you would like your donation restricted for scholarship.
