Part-Time Culinary Arts Degree Program

Designed for working professionals in the culinary industry

The Lakeshore Culinary Institute is pleased to introduce an accelerated, part-time education track for employed* culinary professionals.

Participating students will:

- Attend culinary classes two nights per week in our state-of-the-art facility
- Expand their experience with our fully-operational bistro
- Learn classic French techniques and methods and contemporary fusion cuisine
- Train with a passionate team of professional chefs
- Integrate their restaurant work experience into the program and earn credit while at their workplace
- Graduate with a technical diploma in two years

Coffee and Your Career Mondays at 8:30am

Meet with Rufina Garay, Associate Dean of Lakeshore Technical College's Culinary Arts and Hotel/Hospitality programs, to learn what the program can do to help you advance your career.

**This program is designed for culinary professionals who are already employed in the culinary industry for at least one to two years. The Lakeshore Culinary Institute also offers a traditional full-time program for students looking to enter the culinary field.*

Apply to the Culinary Arts program now to be eligible for LTC scholarships.

Online scholarship application is open until November 1 at gotoltc.edu/scholarships.
